RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

MAIL STOP AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP § 609, applicant(s) submit(s) the following Disclosure Statement concerning art of which the applicant(s) is (are) aware. A copy of PTO-1449 is enclosed herewith.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

In accordance with the United States Patent and Trademark Office OG Notice dated 05 August 2003, waiving the requirement under 37 C.F.R. §1.98(a)(2)(i), for submitting a copy of each cited U.S. patent and U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003, Applicant(s) has not enclosed copies of the cited U.S. patents and applications with this Disclosure.

In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.

Under § 1.98(a)(3), no concise explanation of relevance is required for information that is in the English language. Accordingly, the enclosed require(s) no further explanation (or no translation is available).

This Information Disclosure Statement is a resubmission of materials that were initially submitted with the original application filed March 17, 2004. In the latest Office Action, it is indicated that the listing for these materials on the original PTO-1449 Form improperly included the uniform resource locator (URL) citation, more commonly referred to as a website address, and that such URL citations could not be included on the face of a patent. As such, these listings were struck from the PTO-1449 Form and noted as being "Not Considered" by the Examiner to avoid being listed on the face of any patent that issues from the associated application.

After a brief interview with the Examiner regarding the proper citation on the PTO-1449 Form for the materials, Applicant is hereby resubmitting both copies of the materials and an associated PTO-1449 Form listing the same as discussed with the Examiner. Accordingly, Applicant hereby requests reconsideration of these materials and the return of a copy of the PTO-1449 Form initialed by the Examiner.

As this is a resubmission of materials filed, in good faith, with the original application, no fee is believed to be due. If a determination is made to the contrary, however, the Office is specifically authorized to charge any fee due to Deposit Account No. 06-0308.

It is respectfully requested that the attached document(s) be considered and officially cited in examination of this application.

Respectfully submitted,

FAY, SHARPE, FAGAN,
MINNICH & McKEE, LLP
